

Financial Aid Fact Sheet

Fall 2025 – Summer 2026

The information below will help you gain a better understanding of how much you will be expected to contribute to the cost of attendance at Pitt-Greensburg. With the rising cost of education, financial aid may not cover your entire bill. It is easier to obtain educational goals with the help of financial aid, but students are ultimately responsible for paying for educational expenses.

Financial Aid Eligibility

Your financial aid eligibility is based on financial need, which is calculated by subtracting your **Student Aid Index (SAI)** from your established **Cost of Attendance (COA)**. Due to limited resources, the amount of financial aid that we are able to award to you may not cover your total financial need.

Your SAI is the result of the 2023 information provided on your 2025-2026 Free Application for Federal Student Aid (FAFSA) and is listed on the Student Aid Report (SAR). You may access your SAR at <https://studentaid.gov/h/apply-for-aid/fafsa>.

Your COA is simply your financial aid budget, which is comprised of average tuition and fee charges, as well as estimated housing, meals, books, transportation and personal expenses determined by your enrollment, domicile, and dependency statuses. You may receive financial aid up to your established COA. Any awards exceeding the COA will be reduced accordingly. The table below outlines Pitt-Greensburg's established COAs for the 2025-2026 academic year.

Cost of Attendance

All costs reported below are the annual rates for the **2025-2026** academic year and should be used as reference only. The Account Activity, which details the actual direct costs (those that you will pay directly to the University) listed below, will be available in mid-July for the fall term and in mid-November for the spring term.

FULL TIME	Non- Nursing Majors				Nursing Majors			
	Commuter		On / Off Campus		Commuter		On / Off Campus	
	In-State	Out-of-State	In-State	Out-of-State	In-State	Out-of-State	In-State	Out-of-State
Tuition (non-Nursing)	\$13,660	n/a	\$13,660	\$25,534	\$17,502	n/a	\$17,502	\$32,562
Fees	\$1,136	n/a	\$1,136	\$1,136	\$1,136	n/a	\$1,136	\$1,136
Housing/Meals	\$7,288	n/a	\$15,790	\$15,790	\$7,288	n/a	\$15,790	\$15,790
Transportation	\$2,932	n/a	\$2,932	\$2,932	\$2,932	n/a	\$2,932	\$2,932
Misc./Personal/Books	\$2,790	n/a	\$2,790	\$2,790	\$2,790	n/a	\$2,790	\$2,790
Total Cost	\$27,806	n/a	\$36,308	\$48,182	\$31,648	n/a	\$40,150	\$55,210

PART-TIME (6-11 credits)	Non- Nursing Majors				Nursing Majors			
	Commuter		On / Off Campus		Commuter		On / Off Campus	
	In-State	Out-of-State	In-State	Out-of-State	In-State	Out-of-State	In-State	Out-of-State

Total Cost	\$22,908	n/a	\$31,410	\$40,302	\$25,788	n/a	\$34,290	\$45,576

FINANCIAL AID PROGRAMS

Listed below are the definitions and the disbursement information pertaining to any Title IV (Federal) funding that you may receive. **The disbursement for each of these programs, except Federal Work-Study, is scheduled for payment 10 days prior to the beginning of the term and will continue on a daily basis thereafter.** Be aware, disbursement dates are contingent on the receipt of all necessary paperwork and the completion of the verification process, if applicable.

- **Federal Pell Grant** – Awarded to undergraduate students who have not earned a bachelor's or professional degree and who possess financial need as determined by the FAFSA. The Pell Grant does not have to be repaid.
- **The Pell Plus Program** is offered to students who are eligible for a Federal Pell Grant. The Pell Plus Program will match any Federal Pell Grant awarded for the academic year.
- **Federal SEOG** – Awarded to undergraduate students who have not earned a bachelor's or professional degree and who possess exceptional financial need as determined by the FAFSA. The Federal SEOG does not have to be repaid. Funds are limited and priority is given to Federal Pell Grant recipients.
- **Federal Work-Study** – Provides part-time jobs for students with financial need. Funds are limited. **THIS IS NOT A GUARANTEE OF EMPLOYMENT.** Your financial aid offer letter indicates if you are eligible for Federal Work-Study. The money earned from work-study is not disbursed as a payment toward your Account Activity; do not subtract this amount when determining your balance due. Students who are hired through the work-study program receive a monthly paycheck based on their hours worked.
 - Beginning April 1, all open jobs for the 2025-2026 academic year will be posted online at <https://www.join.pitt.edu/>. While you may apply for multiple jobs, you can be hired for only one job.
 - When you are hired, you will need to complete additional paperwork in order to be placed on payroll. You will bring completed payroll forms and required documents (*original* social security card, photo ID and a voided check) to the Greensburg Office of Human Resources. **You cannot begin working until all paperwork is completed and returned to the Office of Human Resources.**
- **Federal Direct Loan Program** – The Office of Financial Aid certifies the Direct Loan for the maximum amount for which you are eligible based upon the number of credits you have completed. Through the Direct Loan Program, you borrow funds directly from the government. First-time borrowers must complete both the Master Promissory Note (MPN) and Entrance Counseling before the Direct Loan monies will be disbursed to your account. The MPN remains valid for up to 10 years provided you remain continuously enrolled during that time period.

Complete your MPN and Entrance Counseling: studentaid.gov

Direct Loans must be repaid. Repayment of principle begins 6 months after you graduate, withdraw, or drop below half-time status. Your financial need determines whether your loan will be subsidized and/or unsubsidized.

Subsidized – U.S. Department of Education pays the interest on your loan while you are in school and during any grace and/or deferment periods. The interest rate is a variable/fixed rate. This means the interest will be set July 1, and the rate at the time of disbursement will remain fixed for the life of the loan. You must be enrolled at least half-time and have financial need.

Unsubsidized – Interest accrues from the point of disbursement until the loan is paid in full. You may choose to pay on the interest while you are in school or allow the interest to accumulate and to be capitalized (that is, added to the principal amount of your loan). The interest rate is a variable/fixed rate. This means the interest will be set July 1, and the rate at the time of disbursement will remain fixed for the life of the loan. You must be enrolled at least half-time; financial need is not required.

For detailed information on interest rates, go to www.studentaid.ed.gov/interestrates. There is an origination fee of approximately 2% deducted proportionately from each loan disbursement you receive. You are responsible for repaying the entire amount you borrowed and not just the amount you received in loan disbursements.

DIRECT LOAN ANNUAL LIMITS

Completed Credits	Dependent Student	Independent Student (and dependent students whose parents are unable to obtain PLUS Loans)
0 – 23 credits	\$5,500 (of which \$3,500 can be subsidized)	\$ 9,500 (of which \$3,500 can be subsidized)
24 – 53 credits	\$6,500 (of which \$4,500 can be subsidized)	\$10,500 (of which \$4,500 can be subsidized)
54+ credits	\$7,500 (of which \$5,500 can be subsidized)	\$12,500 (of which \$5,500 can be subsidized)

VIEW YOUR ACCOUNT ACTIVITY AT payments.pitt.edu

The Account Activity Tab is the detailed account activity statement that includes all billable charges at Pitt-Greensburg, including, but not limited to, tuition, fees, housing and meals. The University sends a series of email notifications to the student and all of their Authorized Users.

Invoicing, Due Dates, and Payment

Pitt-Greensburg invoices on a term-by-term basis—fall term in mid- to late-July, and spring term in mid- to late-November. Students and Authorized Users are notified by email. For due dates for each term, you can go to payments.pitt.edu.

Financial Aid on Account Activity

Financial aid that has been awarded to you, but has not yet disbursed to your student account, will show as anticipated aid on your Account Activity and is deducted from the total amount due. Financial aid can be listed as anticipated for various reasons, including the scheduled disbursement date of 10 days prior to the beginning of the term has not yet arrived; loan funds have not yet been received from the U.S. Department of Education, or from your lender, or you have not yet completed the requirements needed to secure the funding, such as completing promissory notes, entrance counseling for Direct Stafford

loans, or completing the verification process, if applicable. Please contact the Office of Financial Aid if you have any questions regarding your anticipated aid. Financial aid that has disbursed will show as a payment on your Account Activity.

Authorized Users

You may authorize Users to have access to your student account, to view and pay your balance and to receive notification emails when a payment is due. To set up Authorized Users, student can go to payments.pitt.edu and follow the video instructions.

Late Payments

Payments **received** after the due dates are considered late payments and a \$50 late payment fee is applied to your account each month that your account remains unpaid. After the second missed due date, a financial hold, which restricts future enrollment-related services, is placed on your account. If your account remains unpaid for three consecutive due dates, a \$100 collection fee, in addition to the late payment fees, is applied to your account.

ADDITIONAL FINANCING OPTIONS

If you require additional funding after the financial aid that appears on your award letter has been deducted from your bill, consider the options below.

Payment Plans

The University offers an optional, interest-free payment plan to eligible students. A fee will be assessed to participate. Questions concerning the payment plan or your bill should be directed to the Office of Student Accounts at (724) 836-9908.

Federal Direct Parent Loan for Undergraduate Students (PLUS)

Parents of dependent students who are enrolled at least half-time (6 credits or more) can borrow from the Direct PLUS Loan program. Parents may borrow up to the COA (page 1) less any financial aid that you are receiving. Parents must login at www.studentloans.gov using their information. Complete Step 1 – Request a Direct PLUS Loan and if credit is approved complete Step 2 – Complete a Master Promissory Note (pick Parent PLUS). Approval is based solely on your parent's credit history—the borrower must not have an adverse credit history. The interest rate is a variable/fixed rate. This means the interest will be set July 1, and the rate at the time of disbursement will remain fixed for the life of the loan. In addition, there is an origination fee of approximately 5% proportionately deducted for each loan disbursement.

- Complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov (if you have not already done so).
- If the PLUS Loan is denied, you, the student, may be eligible for additional Direct Unsubsidized Stafford Loan funds.

Private Loans

Student:

Private Student Loans are offered through private lenders. Private student loans are in the student's name and a credit check is used to determine eligibility. By applying with a creditworthy individual, the student may improve their chances of approval.

Parent:

Private Parent Loans are offered through private lenders. These are private loans that a parent or sponsor can borrow on behalf of a student and a credit check is used to determine eligibility.

A list of Alternative lenders can be found at www.greensburg.pitt.edu/financial-aid/alternative-private-loans.

PERIOD OF ENROLLMENT

(Choose the enrollment dates that correspond with your loan term dates)

2025-2026 Academic Year	
Term(s)	Term Dates
Academic Year	August 2025 – April 2026
Fall 2025	August 2025 – December 2025
Spring 2026	January 2026 – April 2026
Summer 2026	May 2026 – August 2026

MAINTAINING FEDERAL FINANCIAL AID ELIGIBILITY

In accordance with federal regulations, the Office of Financial Aid must monitor each student's progress toward the completion of a degree or certificate on an **annual basis**. You must demonstrate satisfactory academic progress with respect to the number of credits completed **and** the cumulative grade-point average earned (GPA) **and** the timeframe needed for program completion. All Title IV aid programs and most University aid programs are impacted by these requirements. (Please note that PHEAA has established academic progress requirements to maintain PHEAA State Grant eligibility, which are different than those found here. For more information regarding PHEAA's policy visit www.pheaa.org.) **The information provided is a general overview that highlights pertinent information, please visit <https://www.greensburg.pitt.edu/financial-aid/academic-progress-aid> for Pitt-Greensburg's complete policy.**

Credit Requirement

Students must successfully complete 67% of the cumulative total number of credits attempted. For example, a student who attempts 57 credits must successfully complete 38 credits to be in acceptable academic standing. All credits for which a student is enrolled after the add/drop period are included in this calculation as attempted credits.

- **Successfully Completed Credits** – Credits in which a student earns a grade of A, B, C, D, H or S or those that have transferred toward the student's degree.
- **Course Drop/Semester Withdrawal** – Courses dropped or a semester withdrawal occurring during the add/drop period are not counted as attempted credits. However, courses dropped or a semester withdrawal after the add/drop period are counted as attempted credits. Students who have not earned the minimum number of required credits based upon enrollment as the result of the course drop or semester withdrawal will not be in acceptable academic progress.
- **Failing/Incomplete Grades** – Credits for a course in which students receive failing (F) or incomplete (G or I) grades are not considered successfully completed; therefore, students have not earned the minimum number of required credits based upon enrollment as the result of failing or receiving an incomplete grade will not be in acceptable academic progress. Students who receive a letter grade for an incomplete grade must complete the Financial Aid Exception form to have their status re-evaluated.

- **Repeated Courses** – All completed and attempted credits will be counted toward the 67% completion rate. Please note, however, that federal regulations allow for financial aid to pay for only **one** retake of any previously passed course, so taking a course more than twice could affect your enrollment status for financial aid purposes.

GPA Requirement

The minimum GPA requirements are determined by the total number of post-secondary credits that you have attempted at Pitt-Greensburg. Transfer credits are not used in the GPA calculation.

- Students who have **attempted up to 24 credits** must have earned a 1.5 cumulative GPA.
- Students who have **attempted 24.5 or more credits** must have earned at least a 2.0 cumulative GPA.

Eligibility Timeframe

Students must complete their program of study within 150% rate of the published length of their program; therefore, to maintain financial aid eligibility, students may not exceed 180 attempted credits.
