- **Internship (company/your title):**

Center for Organ Recovery & Education (CORE)/HR Intern

- **How did you find your internship?**

Career Services/ In my area

- **What were your duties?**

Worked alongside the Human Resources department and assisted with any projects they may be working on.

- **How many hours per week were you at your internship site?**

40 hours per week

- **What did you enjoy most about your internship?**

Learned more about the human resources, business, and making relationships within the organization.

- **What was the most difficult aspect of the internship?**

Ensuring that projects were done correctly and in a timely manner

- **How has your internship prepared you for a career?**

I took the required classes at UPG for my degree and C.O.R.E. provided a more hands on experience within that profession.

- **What recommendations do you have for other students about doing an internship?**

I highly recommend doing your internship where you would like to work after you graduate to begin building relationships with the company and to decide if the company is somewhere you would enjoy working.
